

WHORTON AGILITY TROPHY Most Consistent Agility Dog Award

Donated by Mary Whorton in 2003, this trophy is being offered in the memory of the first dog to earn the MACH title at DKC, OTCh MACH3 Tystar Little Dipper UDX. Dipper was known for his consistent qualifying performances trial after trial. This trophy is to be awarded to the agility dog who earns the most double Qs from the Masters regular classes throughout the Awards calendar year (January-December). For the purposes of this trophy, a double Q shall mean when a dog earns a qualifying score from both Masters Standard and Masters Jumpers with Weaves on the same day. In the event of a tie, the winner shall be determined by MACH points earned that year. Double Qs from the preferred classes will not count towards this award.
