APRIL, 1991

DINNER:

Our April meeting will be held on Monday, April 15, 1991 and will be preceded by our usual pot luck dinner. The dinner will begin at 7:00 p.m. and will be followed at 7:45 p.m. by our program. Please bring a dish to share with other club members and guests. Our club will furnish beverages.

PROGRAM:

Jan Hansen, our Program Chairman, advises that our program for April will be a presentation by Kelli Ferris on "Basic Canine Genetics". Ms. Ferris is presently working toward the completion of her Ph. D. in genetics and is looking forward to sharing her knowledge and experience with our club. We hope that all of you will plan to attend.

Please be reminded that nominations will be accepted from the floor during the business portion of our April meeting. Any club member, in good standing, may nominate another club member, in good standing. If the person that you plan to nominate will not be in attendance to accept the nomination, it will be necessary that you have a written "agreement to serve" to present to the secretary, prior to making your nomination.

IMPORTANT ANNOUNCEMENTS:

1. Attached to this newsletter should be a copy of the new DKC membership list. Please plan to keep your newsletter up to date by adding the names of new members and member candidates as they are printed in the newsletter.
2. Marcia Stedman wishes to thank everyone who supported and contributed their time and talents to the success of our recent T.D.X. test. Those of you who are not aware of the effort that goes into putting on successful tracking tests should know that our tests are consistently successful through the efforts of many hard working people. Emilie Beglane, Sharon Pitz, Jeff Telander, Richard Whorton, Judge, Pat Lawrence and our Judge from West Va., Gene Conley, spent many hours on Saturday and Sunday out in the fields, charting and then seeing that the tracks were properly executed. Mr. Conley was impressed by the hospitality of our club, which has become legendary, and enjoyed the fellowship that he shared with our members.

M. F. Davis was the "early bird" at the clubhouse on Sunday, welcoming all arrivals with coffee and donuts and Anne Ocorr served as hostess for the luncheon following the running of the tracks. Two entrants passed the test and everyone shared in their happiness and wished the less fortunate success in the future. Thanks to all of you who contributed so generously to the success of this event.!!

Please welcome the following member-candidates and regular member. We are pleased to have all of you join our membership.
