### Kuvasz: Dog of the Month

The **Kuvasz** (plural – Kuvaszok) is a member of the Working Group. The breed as a whole exhibits a stable, kind temperament and are considered

kind, robust, and intelligent. The length of the coat makes it acceptable as a house dog – in spite of its size. The **Kuvasz** is very sensitive to praise and blame, is primarily a one-family dog and is good with children.

**Background:** The **Kuvasz** (related to the Komondor) became renowned in Hungary during the latter part of the 15<sup>th</sup> century, when many private persons made an effort to improve the breed and use it as a hunter of large game animals. Ownership was controlled by the king. The **Kuvasz** was **approved** by the AKC on **July 9, 1974 (Reformatted: March 28, 1991)**.

**Show Ring:** *Height* measured at the withers: Dogs, 28 to 30 inches; bitches, 26 to 28 inches. *Disqualifications:* Dogs smaller than 26 inches. Bitches smaller than 24 inches. *Weight:* Dogs approximately 100 to 115 pounds, bitches approximately 70 to 90 pounds.

The outer coat of an adult is rough in texture and ranges from quite wavy to straight, with a fine-textured woolly undercoat. The only acceptable color is white, but the skin is heavily pigmented.

**Breeding and Whelping:** The **Kuvasz** does not exhibit any unusual breeding or whelping characteristics. Large litters are common with 8 or more puppies the rule rather than the exception. Dewclaws if any are removed.

**Breed Disqualifications:** Colors other than white, overshot or undershot bite, dogs smaller than 26 inches and bitches under 24 inches.

**Faults:** Any tendency to weakness or lack of substance is a decided fault.

**Recognized Problems:** As with most large breeds, Kuvaszok are susceptible

to **hip dysplasia**. The **Kuvasz** is, also, one of the breeds affected with congenital **deafness**.

**Old Age:** The average life span is 6 to 9 years.

### April Meeting

**FOOD:** Our next meeting will be held on **Monday, April 15th**. Do plan to attend and bring a dish for our potluck dinner. The club will provide beverages. Dinner will be served at 7:00 p.m. and everyone is welcome.

**PROGRAM:** The program for the April 15th DKC meeting will be presented by Mr. David Raley, Huntsman for the Red Mt. Hounds. Mr. Raley will tell us about the different breeds of hounds used for fox hunting, the training required and what goes into maintaining a working pack of hounds. 'This should be a most interesting program and it is hoped that all of you will want to attend. **As Mr. Raley may have dogs with him we ask that member's dogs be kept out of the building during the program.**

### DKC Membership Meeting

Durham Kennel Club Member Meeting – March 1, 2002

Following a program by Dolores Alonzo, Associate Vice President of Registration Services at AKC, President Jack Sappenfield called the meeting to order.

Jack welcomed members and guests. Please remember to sign the attendance list which is on the white table in front of the main doors. The large attendance at our meetings is very much appreciated. A huge Thank you to everyone who participated in the February Awards Program. Minutes from the January 21,

2002 meeting were approved as submitted.

**Delegate's Report:** At the March Meeting, The big thing was the election of a new sub-set of Board members. Elected were Kenneth Marden, Asa Mays and Nina Schaefer. Some amendments that were voted in included: Delegate standing committees now can propose bylaws & rule changes. Bred by Exhibitor Class: Now the handler has to be the Breeder and owner of record. Dog show rules: Address, name & phone number of show vet must be submitted with premiums. Read in March and to be voted on in June: Delegate standing committees for Herding, Lure Coursing and Earth Dog. Copy of the Annual Report will be put on the top of the Bookshelf. If you have any questions, please contact Lisa Connelly.

**Membership:** The following Candidate Members were all voted on and approved: Yvette & Mike Ward, Leanne & Jonathan Diamond, Julie & Glen Freybarger, James Person, Eva Schroeder & John Pie, Dot & Bill Simberland, Susanna Heinze and Lee Crighton. Lori & Tom Givens were voted in as regular members. Congratulations to all!! Our **current membership stands at 186.**

**Agility:** We are about to start a new set of classes. Monday night will have a beginner class at 7pm and an intermediate class at 8pm. There will be a run thru class on Thursday night. We will be holding two agility trials April 20th and 21st, 2002. These filled before 5pm on opening day! If you would like to volunteer to work at the trials, please contact Mary Whorton.

Starting September 1, 2002; AKC has a whole new set of rules. For example, Novice Standard will be required to include weave poles. There will be some equipment changes like requiring a 9-foot A-Frame. We have ordered a new A-Frame and when we get the new one, we will sell the old one. Also, AKC is offering a new class called the preferred classes.

The dogs will jump 4 inches lower than regular and have an additional 5 seconds to complete the course.

**Tracking:** The test was held on Sunday, February 24th and unfortunately all 5 TDX dogs failed. There were 13 alternates! Our next test is March 31st and will have 10 available TD slots. The test will start at 9am....come out and watch! Another TD/TDX test will be held in November; Please contact Jack to volunteer.

**Newsletter:** Please let Terri know about your events so that they may be put in the newsletter!

**Spring Show:** Entries are down per show. Connie Thanks everyone for volunteering ----If you volunteered--- Please show up!! Saturday there will be a multi breed seminar, please attend if interested.

**Programs:** The huntsman from the Red Mountain Hounds will be here to talk about their breeding program and the differences between the American and the English Foxhounds.

**CGC:** April 6th is the date for the next test. There are Flyers at the building and, information is on the website. Volunteers are set!

**Unfinished Business:** DKC Harris Road Land – The Survey is not finished yet. DKC will be financing a portion of the loan. Thanks to Dee Wallis for all her legal help with this.

**New Business:** DKC Web Page – The new address is: [www.durhamkennelclub.com](http://www.durhamkennelclub.com)

Following several brags, the meeting was adjourned.

Respectfully submitted,  
*Denise McDonald*  
DKC Recording Secretary

### THANK YOU OBEDIENCE STEWARDS

It's a shame, but some clubs across the U.S. are no longer putting on obedience trials. Not for lack of entrants, but because they can't get enough experienced volunteers together to run the trial and serve as stewards. Thankfully DKC doesn't have that problem. I want to give a BIG THANK YOU to everyone who volunteered to steward at the Tarheel cluster. We had very experienced stewards who helped

the show run smoothly, and newcomers who jumped in and did a great job. All three judges complemented the quality of stewarding! Thanks to Carolyn Wolfe, Anne Carson and Jane Bergsten for serving as table stewards, and to Jeff Telander, Lisa Roberts, Linda Kay, Margaret Fox, Cecelia Reeder, Martha Klopfer, Barbara Nelson, Lori Givens & Balynda Brown for being great stewards in the frigid pig barn all day. Thank you Eileen Bassett and George Beglane for agreeing to jump in as emergency stewards if needed.

### THANK YOU HOSPITALITY VOLUNTEERS

Hospitality had a great crew of willing workers. And considering that this is this team's first time, we did very well. Our only real problem was that Ridley made some of his special freshly ground, French Roast coffee and it was so popular that the first pot of 80 cups were gone before 10 a.m. Exhibitors were even trying to get in to have some and arguing with us that the guard had given them special permission. Thank you Ridley for all your extra help and a big thanks to Lori Foraker, Melissa Dunas, Gillian Goodacre, Alice Reid, Hal and Donna Schaefer and Joanne Harrar.
