## Dancing with the Dogs by Wendy Foster

*Downer's Grove, IL...* It is not your standard Nutcracker performance. Take for instance the fact that the dancers all have two left feet, as well as two right ones. And tails; often wagging.

There's a pug that pirouettes in a pink tutu and a Shih Tzu that takes down a black lab in the epic battle between the prince and the Mouse King.

"As far as I know, no one else does anything like this," said Becky Jankowski of Downer's Grove, the founder of PAWSitive. "The canine performance, with supporting roles for human handlers, stars more than two dozen trained therapy dogs from throughout the western suburbs.

PAWSitive Therapy, which was founded in 1998, provides activities and therapy with registered therapy dogs to patients in different settings and to students in area schools.

Jankowski said that she started the program as she was retiring from her nursing career. Missing the patient contact, she took her trained therapy dogs to visit Hines VA Hospital and Loyola Medical Center, and gradually expanded her services.

"There's something about the human-animal bond," she said. "Dogs can touch people that doctors, nurses and therapists can't. We see it happen time and time again. We'll bring a dog to an Alzheimer's patient that may not have spoken for months, but will talk to the dog and tell it how pretty it is. Animals reach inside and draw out different things in us."

Eventually Jankowski started coordinating little Christmas pageants with the therapy dogs. " 'The Nutcracker' seemed like the logical next step," she said. "Quite a few of us enjoy training dogs to do some canine dancing, so we thought, 'why not?'"

It turns out, going from therapy dog to dancing dog is not much of a ....leap. "We were used to training the dogs to perform different things for obedience competitions," Jankowski said. "So we thought, let's teach them how to spin, and how to back up."

"It's all based on positive reinforcement, lots of treats, lots of praise. It's all positive reinforcement. A dog doesn't know that heeling isn't that much of a trick but spinning is. It's all the same to the dog," she said.

Jankowski has 19 volunteers with a total of 28 dogs performing in "The Nutcracker." The choreography was an enormous amount of work, and often-times hilarious. "It's more of a challenge to get the human handlers to know what

## DKC Holiday Party!

Our annual Holiday Party will take place on **Monday, December 20, at 7:00pm**. This is the one time we ask that you do not bring your dog, and instead bring dog or cat food, supplies (towels, cotton balls, toys which need not be new but in good condition), leashes and collars your pets no longer need, etc., for the APS.

It's party food time! Please bring heavy hors d'oeuvres to share (and your own serving dish and utensils). The DKC does not provide alcohol, but will offer other beverages; if anyone wants something else, you are welcome to bring your own.

**[REMINDER: This takes the place of the December meeting.]**

**CHILI COOK-OFF for the January meeting!**

For the January meeting, on January 17, 2011, we will not be having our traditional pot-luck dinner, so don't bring food! Instead, we're going to have a chili cook-off, and you will be the judges!

The entry fee to enter the cook-off is \$20. The winner will receive 25% of the entry fees, 2nd place will receive 10% of the entry fees, and 3rd place will receive 5% of the entry fees. There will be a write-up in the newsletter as well.

Everyone coming to dinner will pay \$5, but you won't be bringing any food and this is a fund-raiser.

Stations will be set up around the building, each with a pot of chili. Each Competitor should bring the condiments that you feel complement your chili. Be sure to bring enough, you want everyone to be able to vote for you! People will go to one station at a time (please go to them all!), get a bowl of chili, and score each chili on a score of 1-10. Scores will be totaled to determine the winners.

The Fund-Raising Committee will provide bread, crackers, and some kind of dessert. DKC will provide drinks, bowls, and utensils.

Competitors will be on the honor system. Please do not reveal which pot of chili you prepared. **Please have your pot of chili (warm and in a crock pot) and condiments to the DKC building no later than 6:15 on January 17, 2011.**

To enter the cook-off, please fill out the form below and send it to Sharon Pitz at sharon.pitz@frontier.com or 3124 Marywood Drive, Durham, NC 27712. We'd like to have your entries in advance, but will accept them at the door.

**Please let Sharon know that you plan to enter so we know how much food we'll have.**

Send the entry form below to Sharon in advance (preferred) or bring it with you to the meeting (be there by 6:15 on January 17, 2011).

*More about Fund-Raising...* A new committee was formed this year to start raising funds for future building expansion. A new committee is also being formed to make decisions on what expansions we need, and in what order. After decisions are made and costs are estimated, we will have a clearer idea of how much we need to raise. However, we are going to start raising funds now as any expansion will cost money. The Board has authorized a few initial fund-raising projects, and more will be implemented over the next few years. Thank you to everyone who suggested fund-raising ideas. If your idea is not on this initial list, you may see it come up in the future. The initial projects approved are:

- 1) A fall match, which was held October 30, 2010, chaired by Dee Wallis. She and her committee did a great job organizing this, and next year it will be even bigger and better!
- 2) Another match for the spring, but this one will be set-up more like a show-n-go. More details soon!
- 3) Gift certificates to DKC events. Buy your Christmas, birthday, and congratulations presents for your dog friends at DKC!
- 4) Microchip clinics 3 times a year during classes. There will be a spring health clinic at the building 2/26/11 with many tests available.
- 5) Dog photo days. This will be at the DKC building in late summer/early fall, with DKC members who are photographers and some non-DKC members. There will be several stations set up--a Christmas scene, portraits, outdoor shots, etc. More details soon.
- 6) Craft fair. We will rent booth space to different craft vendors and sell food.
- 7) We would like to have club members man the admissions booths for our shows in Raleigh, and act as stewards instead of hiring the professional stewards. This would save us a lot of money on each show, but will require more people to step forward and volunteer. We are not planning this to be forever, but if we are going to expand our facilities, it will require some sacrifice from everyone for a few years.

CHILI COOK-OFF ENTRY FORM				
January 17, 2011				
NAME				
CHILI	mild	moderate	hot/spicy

## Learning/Training Opportunities

### SEMINARS

**June 18-19, 2011**

**Obedience and Rally**  
**AKC—obedience & rally rules**

**July 16-17, 2011**

**Obedience**  
**Janice Gunn**

**August 27-28, 2011**

**Structure in Action and Beyond!**  
**Pat Hastings and Debbie Gross Saunders**

If you missed Debbie this year, this is your chance to see what you missed! This includes Pat Hasting's **Puppy Puzzle** and **Structure in Action** seminars. Pat's seminar usually lasts 1 day and is done in conjunction with a local performance-based veterinarian, but she and Debbie have done a few seminars together and their programs work so well together that this seminar will be 2 days. This is a great seminar for **conformation and performance** dogs.

**Obedience**

**Betsy Scapicchio/Linda Brennan**

**January 21-22, 2012**

Information on these seminars is available on the DKC website under Seminars and in the lobby. More will be added later. As always, members who have performed at least 2 services in the past 12 months can take 15% off the registration. The discount must be taken at the time of registration and the 2 services must be written on the registration form.

### Support the Spring Show!

Support DKC's spring show by placing an advertisement or memorial in the catalog. This helps us defray the cost of the show. **The deadline for getting information to Lois is January 15, 2011.** If you'd like to have a full page ad for your new champion or kennel, the cost is \$35.00 (no photo) or \$50.00 (with photo). Contact Lois Schultz (lois@duke.edu) for information about scanning or go to the InfoDog website (<http://www.infodog.com/help/guidelines.htm>).

DKC will also have a memorial page with brief listings of the name of the dog (registered name and call name), awards, breed, and the name of the owners. Each dog listed is \$5.00.

In both cases, let Lois know what you'd like to do by email or phone (919-490-6761). Make checks payable to Durham Kennel Club and send them to Lois Schultz, 5504 Woodberry Road, Durham, NC 27707.

--Lois Schultz

### CLINICS

Don't forget the DKC will be offering a new health clinic **at our own building** on February 26, 2011. This will give people a chance to get their dogs tested who were too busy showing in the fall. Details are available on the website.

### MINI-SEMINARS

We have had several of our mini-seminars on several different topics, and they have all been pretty popular. We are scheduling new topics now. Watch your email and the lobby for details! If you've missed these, they are typically 2-3 hours in the evenings or occasionally on a weekend, and we keep the costs as low as possible.

**January 2, 2011**

**Laura Boyce**  
**Tracklaying**

**January 16, 2011**

**Louisa Arendt**  
**Nosework**

Watch for the flyers on the website and in the lobby for details. More will be added as time and building availability allow.

These are open to anyone, but since they are short they are not designed to draw many non-club members. For that reason we do not offer a discount for these. However, if you sign up for 3 or more, including payment, at the same time, and write 2 of your services on one of the registration forms, we'll give you a 10% discount off the total. Please take the discount when you send in your check for the 3 seminars.

### Awards Banquet, February 2011

Each year Durham Kennel Club holds an awards banquet to recognize its members' accomplishments and titles from the previous year of showing. Plaques are given for titles earned and many perpetual or traveling trophies are awarded for outstanding achievements in breed, obedience, tracking, agility and versatility. Applications for the awards will be available in the building and on the website. Please read the instructions for submitting the applications. The date for this year's banquet is Saturday, February 12. A reservation form will be on the website and in the January and Feb newsletter. Hope you can join us!

-- The DKC Awards Committee

## DKC Logo Contest!

The Board has approved a contest to re-design the DKC logo. **Submissions must be received by February 1, 2011.** The Board will select the top 5 logos, and the club members will vote on the logo of their choice. The current logo will be included so there will be 6 logos to select from. Logos may incorporate parts of the existing logo. There are some general guidelines:

- should incorporate the state and location in the state in some way
- include the name of the club
- include the year established (1931)
- if a dog is included it should not be breed specific
- should be reproducible in black and white
- should incorporate the club colors (blue and white)

Please email submissions to [fundogs@gmail.com](mailto:fundogs@gmail.com) or mail to Jan Gray, P. O. Box 1172, Hillsborough, NC 27278

What do you get if you win? You get to see your logo used on DKC ribbons and other products! The winner and other finalists will be featured in the DKC newsletter with their logos. The winner will receive a \$25 gift certificate to a DKC event (where MB-F is not the secretary) and the other 4 finalists will receive a \$10 gift certificate to a non-MB-F DKC event, unless the club selects the existing logo, in which case the prize will be donated to DKC!

Can't figure out what to get your doggy friends for Christmas, birthdays, or special events? Do your shopping at DKC! We will soon be offering gift certificates in varying amounts

for our seminars and our non-MB-F events (agility, Dec. obedience and rally, tracking, etc.). Sharon Pitz will have these available at meetings and most upcoming events, or contact her at [sharon.pitz@frontier.net](mailto:sharon.pitz@frontier.net).

## Skunk Remedy

Thanks to Emilie Beglane for submitting this recipe; unfortunately, she had the opportunity to try it out on her own dogs!

In a plastic bucket, mix well the following ingredients:

1 quart of 3% Hydrogen Peroxide

1/4 cup of baking soda

1 to 2 teaspoons liquid soap

For very large pets one quart of lukewarm tap water may be added to enable complete coverage.

Wash pet promptly and thoroughly, work the solution deep into the fur. Let your nose guide you, leave the solution on about 5 minutes or until the odor is gone. Some heavily oiled areas may require a "rinse and repeat" washing.

Skunks usually aim for the face, but try to keep the solution out of the eyes - it stings. If you have any cuts on your hands you might want to wear latex gloves for the same reason.

After treatment, thoroughly rinse your pet with lukewarm tap water.

Pour the spent solution down the drain with running water.

NEVER, ever, store mixed solution in a closed bottle, sprayer, etc. Pressure will build up until the container bursts. This can cause severe injury.

### \*\*\*\*\* Notes \*\*\*\*\*

1) Clean plastic mixing containers and utensils are preferred. Metals encourage auto-decomposition of the peroxide.

2) Hydrogen Peroxide 3% solution is usually sold in pint (500ml) bottles, so you'll need two. The 3% grade is often marked "U.S.P.", meaning that it meets the standards for medical use and purity as set forth in the United States Pharmacopoeia.

The use of other strengths/grades is not recommended unless you're a chemist, and even then a trip to the 24-hour drugstore is much better than a trip to the emergency room.

3) Use baking soda, not baking powder. "Arm and Hammer" is one popular brand. Baking soda is also called: Sodium Bicarbonate, Sodium Bicarbonate, U.S.P., Bicarbonate of Soda, and Sodium Hydrogen Carbonate. Do not confuse any of the above with Washing Soda, which is Sodium Carbonate. Washing Soda is about 100 times more alkaline than Baking Soda and can cause skin burns to both you and your pet.

4) Two preferred brands are "Softsoap" and "Ivory Liquid." As far as auto-decomposition of the peroxide is concerned, the surfactant package in these two is fairly inert. Heavy-duty grease-cutting brands such as "Dawn" are less inert, and hair shampoo is probably the worst.

5) Once mixed, the peroxide slowly breaks down into water and oxygen gas. Thus it gets weaker with time and so it should be used promptly. The exact rate depends on temperature, pH, and catalysts such as trace amounts of metals (iron, etc.) in the soap and/or tap water.

Look for an expiration date on your peroxide. If you're using stuff which has been sitting around in your medicine cabinet for years, buy fresh peroxide.

6) All brand names mentioned in this website are trademarks of their various owners.

This recipe was found on the website:

<http://home.earthlink.net/~skunkremedy/home/sk00001.htm>

**Program:** "Animal Reproduction/Theriogenology" delivered by Dr. Scott Bailey, DVM. Dr. Bailey, Assistant Professor at NCSU, spoke about dog reproduction. The main topic was reproduction in the female dog, including maximum ovulation times or cycling, and pregnancy, including detection methods (palpation, ultrasound, blood tests, and radiographs). Male dog reproduction coverage was cursory with a reminder that if an intact male lives long enough, prostate disease can affect fertility. Best recommendation was to prepare for the future with freezing samples while the male is at an optimal age (not at 8+ years old).

Meeting called to order: 8:42 pm by President George Beglane.

**New Business:**

- Club members discussed and called for a vote regarding the donation of \$2,000.00 to NC Dog Federation to contract a lobbyist in the upcoming year (expectation for annual contribution). Motion passed. In addition a recommendation was made for all club members to sign up for an annual membership for \$15.00 (or more) and a special plea was made for those who can, to give even more to support the efforts of the NC Dog Federation.
- Corresponding Secretary: No report.
- Treasurer's Report: Roger Akers reported the account figures provided in each DKC fund.
- Spring Show: Connie Howard stated she desperately needs volunteers for the Obedience Chair, the Grounds Chair, and the Compliance Chair for the show and the deadline is Wednesday, Nov. 17th.
- Fall Show: No report.
- Tracking: Jack Sappenfield reported that our TDX test on October 24 at Quail Roost Farm went well despite no qualifiers. Next tracking test will be held in February.
- Breeder Referral: Nothing to report.
- Agility trial: No report available.

- Obedience and Rally Trial: Jan Gray reported that volunteers are needed for set-up the Friday before the trial (from approximately 8pm-9pm) and Saturday morning DKC needs 2 people to direct competitors to crating areas, etc. If you are able to work or enter, please do! Entries continue to be received.
- Obedience classes: Are completed and new classes begin week of January 11th, watch for updates by email.
- Agility classes: Also finished, new classes begin in January, watch for updates by email.
- Conformation classes: Nancy Adams stated that the addition of a man adds a new piece to the puzzle in the pool of instructors for the handling classes.
- AKC Delegate: No report.
- Seminars: Nothing new to report but still have flyers in lobby and information up on website including mini-seminars.
- Membership Report: No report.

**Other Business:**

- Recycling: Bottles and cans container/bin has been moved back into the building to increase compliance. Please leave the bin inside.
- Parties: Holiday Party on Monday, December 20th from 6-9pm. No dogs please, human social night. Please bring supplies (canned food, paper towels, etc.) for the area animal shelters.

Braggs were boasted. Adjourned at: 9:30pm

**Dancing with the Dogs** (cont from p. 1)

they're supposed to be doing, than the dogs," she said. "If the people know, the dogs follow right along...if the people are confused, then the dogs are confused."

The performance is just under one hour long. "I used bits and pieces of the best-loved music," said Jankowski. Costumes including tutus, soldiers' uniforms, and mouse ears, were designed by a committee of volunteers. With a cast that ranges in size from a Chihuahua to a Rottweiler, and everything in between, designing the costumes took a lot of creativity, flexibility and a sense of humor. "The costumes are pretty darn cute," she said.

**Help Needed!!** We still need someone to help with Grounds and Compliance for the Spring Show. I am looking for people that can set up people to do the jobs for certain hours during the day of the show. They do not have to do all the work themselves. Contact me at 309-9014 or fcoat@aol.com and I will tell them what the job entails. Thanks.
