February - March 2011

Westminster 2011: Six New Dog Breeds!

BOYKIN SPANIEL (Sporting Group)

The Boykin Spaniel is a versatile and compact gundog. The breed was developed in the early 1900's in the Midlands of South Carolina to fill the need of local hunters for a smaller retriever for hunting waterfowl. Their nickname is apropos: "the little dog that doesn't rock the boat." In the field, they steal the show as tenacious, assertive and enthusiastic flushing and retrieving Spaniels. In the home, they steal hearts as gentle, affectionate and fiercely loyal members of the family. They are truly companions for all seasons. In 1985, Governor Richard Riley signed an act making the Boykin Spaniel South Carolina's official state dog. www.boykinspanielclub.org

BLUETICK COONHOUND (Hound Group)

The Bluetick Coonhound is an athletic, compact, speedy and well-muscled hound, all of which helps it in trailing and treeing raccoons and other small game. A determined and steady tracker, the standard says that the Bluetick "should be a free tonguer on trail with a medium bawl or bugle voice." Its name comes from its dark blue coat pattern, covered in ticking and featuring black spots on its ears, back and sides. That color may

come from the Grand Bleu de Gascogne (French Staghound) as well as the English Foxhound. In America, Blueticks were referred to as English Coonhounds for many years. www.akc.org/breeds/bluetick_coonhound/

CANE CORSO (Working Group)

The Cane Corso is an ancient Italian Breed, robust and muscular, medium-to-large in size, yet still elegant and athletic. Historically found on the family farms, its primary function was minder of livestock and property, as well as hunting companion for large game. The overall demeanor of the Cane Corso is confidence and impressive presence.

(continued on p. 2)

Upcoming Meetings

The next meeting of the DKC membership will take place on Monday, March 21, 2011. Do plan to attend and bring a dish for our potluck dinner.

Dinner will be served at 7:00 pm. Bring a friend at 7:00 and furry friends are welcome at 7:30 pm.

Program: Adele Monroe will present a program on Canine Freestyle.

The Cane Corso is highly intelligent and easily trained, being docile and affectionate with family and friends. The breed faced extinction in Italy in the early 1970s, but working dogs from rural farms helped it to recover. The Cane Corso was initially

imported to the USA in 1988. www.canecorso.org

ICELANDIC SHEEPDOG (Herding Group)

The Icelandic Sheepdog arrived in Iceland on the longboats of the first Viking settlers. Its working method adapted to the struggle for survival, making it indispensable. A hardy and agile Nordic herding Spitz that barks, it is slightly under medium sized with prick ears and a curled tail. It is rectangular when seen from the side. The coat is thick and extremely weatherproof. A confident and lively bearing is typical for this dog. The expression is gentle, intelligent and happy. Being very alert, it will give visitors an enthusiastic welcome without aggression. They are cheerful, friendly, inquisitive, playful and unafraid. www.icelanddogs.com

LEONBERGER (Working Group)

The Leonberger is a large, muscular, and elegant dog distinguished by a black mask and medium-length weather resistant coat of lion-yellow to reddish-brown color. Males and females are easily distinguished by size, with males carrying a lion-

like mane. The Leonberger combines confident calmness with intelligence and a lively temperament. For its size the Leonberger is graceful and light on its feet. Originating in Baden-Württemberg, Germany, in the mid-nineteenth century the Leonberger was kept as a farm dog and valued for its watch and draft abilities. Today the Leonberger is an excellent family companion, comfortable performing a wide variety of jobs. www.leonbergerclubofamerica.com

REDBONE COONHOUND (Hound Group)

With a pleading expression accompanied by a confident air, the Redbone Coonhound is a courageous breed. Known for being a versatile hunter of tremendous skill, they are used on differing game from raccoon, bear to mountain

lion. Dating back before the Civil War, breeders and hunters strove to have a hound that could not only perform in the woods but have a strikingly beautiful look. A solid red coat, a personality to please and a natural tracking and treeing ability sets the Redbone Coonhound apart from other breeds. www.akc.org/breeds/redbone_coonhound/

A Big Thank You!

I would like to thank Nicki Camerra for her generous donation of a Panasonic projector to the club. This projector supports quite a range of input functions: serial connection, audio out, RGB1/RGB2 IN, RGB Audio out, Video in, Audio in L-R (for Video/S-Video) and S-Video in. This projector is available for use with any Durham Kennel Club function. For security purposes I will keep the projector at my residence. Anyone wishing to use the projector please contact me to make arrangements.

Structure in Action and Beyond!
Pat Hastings and Debbie Gross Saunders

If you missed Debbie this year, this is your chance to see what you missed! This includes Pat Hasting's **Puppy Puzzle** and **Structure in Action** seminars. Pat's seminar usually lasts 1 day and is done in conjunction with a local performance-based veterinarian, but she and Debbie have done a few seminars together and their programs work so well together that this seminar will be 2 days. This is a great seminar for **conformation and performance** dogs.

Obedience

Betsy Scapicchio/Linda Brennan
January 21-22, 2012

Information on these seminars are available on the DKC website under Seminars and in the lobby. More will be added later. As always, members who have performed at least 2 services in the past 12 months can take 15% off the registration. The discount must be taken at the time of registration and the 2 services must be written on the registration form.

Work Day, March 5, 2011

Thanks to lots of hard work at the club on Saturday, the building and grounds look great, although all of us were sore the next day. We really need some younger people to help next time! Thanks to Roger Akers, Dee Wallis, Sharon Pitz, Jan Gray, Paulette and John Hicks, Maria and Lew Walker, Nancy Zawadowski, Ken Nelson, Donna Reily, Cathy Wells, and Diane Devine for thinning out saplings, hauling off limbs, picking up rocks and cleaning out the gutters, etc. Pizza, cake, fun, camaraderie and the satisfaction of a job well done was (almost) worth being so sore. Please consider helping out next time we have a Work Day.

-- Ann Carter

To DKC Members and Friends:

Last newsletter, you learned that Jane Birch died suddenly Jan 3, 2011. Since then, several members have told me they thought we should do something to remember her and her quiet volunteering for the club. Also, Jane's family came to me wondering how they could make a donation in Jane's memory to the Durham Kennel Club.

We have come up with an idea that will both benefit the DKC, and also become a lasting tribute for Jane at the club. We need a new sign out on Guess Road, so I spoke to the family about replacing the sign and putting a small natural rock wall and plantings around it. They think this is a great idea and have agreed to send their contributions to this project.

I got several estimates for replacing the sign and installing the rock wall and garden and met with the Board on February 10. The Board gave approval to begin a fundraiser so we have enough money (in addition to Jane's brother, mother and sons' contributions) to finish the sign and garden.

If you would like to make a contribution, donations in any amount are welcome. Please send your checks made out to Durham Kennel Club, subject: 'Jane Birch Fund' to:

Sally Ridge
8824 McBroom Rd
Rougemont, NC 27572

We will be collecting donations until April 15th. Thank you!

-- Sally Ridge

Important Notice About the Newsletter

The DKC Board has decided that the expense of color printing and mailing the newsletter has become too much. Therefore, **for those of you who receive a printed version, this issue will be the last one in color** (another reason why I combined two issues with lots of pictures!). And, after the June issue when we begin the summer break, **I will no longer mail the newsletter when we start back in September.**

If you have an email address, please let me know so I can add you to the list to receive them that way; you'll get them much sooner, AND in color! You can also download them from the DKC website.

If you don't have the Adobe Acrobat Reader software on your computer, it is free, and easy to install and use. I will be happy to help you with this if you'd like, just let me know.

-- Cathy Wells

Program: "Tellington TTouch" delivered by Patricia Tirrell.

Meeting called to order by President George Beglane.

The minutes from the November meeting were approved as published in the newsletter.

President's Report: There was extensive discussion regarding DKC land development and building expansion plans, as well as proposals to hold additional Obedience/Rally Trials at NetSports and possibly holding stand-alone trials as an alternative to offering obedience and rally at future Spring and Fall Shows. George announced the availability of the new discussion forums on the DKC web site, and encouraged members to use the forums to express their opinions on planning for the future. Member input is critical to future planning.

Corresponding Secretary: No report.

Treasurer's Report: Roger Akers reported the figures provided in each DKC fund. There was discussion about maintaining a capital improvement account, either as a separate account or as a separate category within our existing accounts.

AKC Delegate: Linda Wozniak reported on Breeder of Merit, Grand Champion and proposals for adding a 4 – 6 month puppy class and a Reserve Best in Show award. She also reported statistics on titles earned by All-American dogs since they are now allowed to compete in AKC events.

Spring Show: The premium lists will be coming out soon. Connie Howard stated she still needs volunteers for the Grounds Chair and the Compliance Chair for the show. Committee chairs will soon be looking for volunteers as well. Lois Schultz is still taking memorial ads for the catalog – the deadline is tonight.

Fall Show: No report.

Agility trial: Plans for the upcoming trials are progressing.

Obedience and Rally Trials: The December trials at NetSports were a success. Our net profit was less than the profit for the smaller trials held at DKC in previous years, but the entry was much larger and we were able to have vendors and to hold a raffle to supplement our income.

Tracking: Jack Sappenfield reported that our next TDX test will be held February 13th at Quail Roost Farm. After that test, he will step down as Tracking Chair. Liz Rende will assume the role, and Jack and Liz have worked together closely to ensure a smooth transition.

Agility classes: There will be a short sequence class starting January 24th.

Obedience classes: New classes begin January 18th. Many of the classes are filled.

Conformation classes: Connie Howard reported that classes

are held most Thursdays from 7:00 to 8:30. There are now 4 instructors.

Seminars: No report.

Membership Report: Terri Toohil read four applications for Candidate Membership: Donna Reilly, Bill and Kay Cundy, and Kate Elliott. Don Roback was voted in as a Regular Member. Cathy Whitaker will be voted on for Regular Membership at the next member meeting.

New business:

- Sharon is planning a yard sale for some time in August. Please start saving your treasures.
- Sally Ridge announced that Bahama Road Animal Hospital is having an Open House on Saturday, February 5th, and is inviting DKC members to participate in meet-the-breeds or other demonstrations.
- Linda Wozniak reported that the Eukanuba shows will be broadcast on CBS on January 23rd.
- Dana Pritchett announced that there will be Show&Go's at DKC on February 19th and 20th.

Several guests were introduced. After a number of brags, the meeting was adjourned at: 9:40pm.

Respectfully submitted, *Emilie Beglane*

Awards Banquet

The club held its annual Awards Banquet on Saturday, February 12. We hope everyone who attended enjoyed the evening.

Once again our club members have been very active showing and trialing. A complete list of the awards and winners is attached to this newsletter and is available on the website. Be sure to give congratulations to all who earned titles this past year and to those who won one of the DKC perpetual trophies.

The Awards Committee would like to thank those of you who stayed after the banquet to help straighten and clean up. It was greatly appreciated since the tracking test was the next day. For all of their efforts prior to awards night and the hours that go into the day of the event, please be sure to thank committee members Roger and Nancy Akers, Denise McDonald, Nancy Zawadowski, Diane Divine, and Carolyn Wolfe. A special thanks to Diane Divine for taking the applications and all her travels back and forth from the engraver. They are a great committee and make the banquet a success. I cannot thank them enough for serving with me. Congratulations again to everyone for their accomplishments this past year, and we hope you have another successful year in 2011!

-- Lisa Roberts, Awards Committee Chair

Proposed Slate of Officers

The nominations for next year's officers and board members are the following:

President: George Beglane

Vice President: Ken Nelson

Treasurer: Roger Akers

Recording Secy: Amanda Stipe

Board Members: Denise McDonald

Marcia Stedman

(Not up for re-election):

Corresponding Secy: Ann Carter

Board Members: Maria Walker

Paulette Hicks

Per By Laws: At the April club meeting, the recording secretary will read the Elections Committee's slate of nominees, and then any nominations received from other members. The president will then open the meeting to nominations from the floor, at which time any member in attendance may nominate additional candidates for any elected position. Election voting will be conducted at the May meeting. See By Laws for more information.

Editor's Note: I chose to combine the February & March newsletters because the February issue was fairly sparse; however, I didn't realize that the Proposed Slate of Officers was supposed to be published in February. The omission is my mistake.

NEEDED!! Chair for Obedience/Rally Trial

The Club is looking for someone to be the chairperson for our December Obedience / Rally trial. The chairperson's responsibilities include: getting judges, submitting AKC paperwork, appointing a trial secretary, food chair, trophy chair, steward chair, etc. Jan Gray has graciously agreed to help the new chairperson with the job responsibilities. This year's trial will offer Rally on Friday night only and Obedience on Saturday and Sunday, as approved by the DKC Board. Remember, **without a chairperson this trial cannot take place.** It's you folks who step up and volunteer that make this club so successful.

Here's another great recipe from the crockpot lunches we had at the Obedience & Rally show this past December. Besides being delicious, this one has the added benefit of being gluten-free!

There are still a few more recipes to come!

Sue's Gluten-free Southwest Stew (Sue Ivy)

- 2 lbs lean stew beef, cubed
- 1/2 cup rice flour
- 2 teaspoons salt
- 1 ½ TBSP chili powder
- 1 tsp ground cumin
- 1/4 tsp pepper
- 1 large onion, chopped
- 2 cloves minced garlic
- 2 16 oz cans whole-kernel corn
- 2 16 oz cans Ranch Beans
- 2 16 oz cans cubed potatoes
- 1 jar Newman's Own Black bean & Corn salsa
- 32 oz beef stock (in a box)
- ¼ cup olive or canola oil

Combine flour, salt, pepper, cumin and chili in a 1 gallon Ziploc plastic bag or similar. Toss beef cubes until coated. Add olive oil to kettle or Dutch oven. When oil starts to ripple, add beef cubes and brown. Add onion and garlic and saute, stirring, until soft. Add beef stock and simmer for 1 hour. Drain liquid from corn, beans and potatoes and add to beef. Stir in salsa and continue simmering for another hour.

Top with grated cheddar cheese, if desired.
