## Durham Animal Protection Society

The Durham Animal Protection Society was formed in 1969 as a volunteer organization providing humane care and treatment to Durham animals. They transported and fostered animals, organized adoption events, and conducted fundraising in many venues. In 1990, they expanded, taking over management of the Durham County Shelter. County funds only cover basic needs for the animals. APS fundraising efforts provide food, medical care, toys and care the organization feels necessary for a humane shelter for the animals. The Shelter has a full-time paid veterinarian, and there is a development director working on the various fundraising efforts over the year. It sounds as if the Gala Event at the Washington Duke Hotel each March is a great deal of fun as well as a successful money maker. The annual Walk for Animals in May raises awareness as well as funds.

As successful as it has been and continues to be, the APS needs our help. The Durham Kennel Club supports one of the kennels at the Shelter annually and at our Christmas party we donate food, equipment and toys. This is not enough. We need to devote our unique skills to improve the lives of the needy animals of Durham. We need to be helping facilitate the connections between the Shelter and the breed rescue groups that we are all involved with. The Shelter has a large and continuous flow of puppies that are subject to catching parvo if they go into the Shelter; and yet they cannot be placed until they have had several vaccinations to assure that they do not take diseases back out to the community. I would like for DKC to organize a committee that would arrange to foster these homeless puppies in safe homes where they could receive the love and training they so need while they are waiting for their permanent

homes. I am sure that there are many rambunctious teenage dogs at the shelter who would be much more adoptable with a few hours of corrective training from one of our experienced trainers. Our contributions are only limited by our imagination and our energy.

Susan Teer, one of the founding members of the Durham Animal Protection Society, and the current Vice-President, will be the speaker at our November 21 member meeting. She is coming to give us a fuller picture of the history and mission of APS and the Shelter, and to begin a dialogue of how we can contribute in a meaningful way to the needs of Shelter dogs. I hope you will bring your ideas and participate in this new project.

--Dee Wallis

## What We Did This Summer...

We pretty much stayed in doors with our dogs. Practiced Rally, Obedience, and Agility in our basement. It was a tight squeeze, but it is amazing what one can accomplish in a tight space. Took up Free Style and it really is a lot of fun. Did a lot of the training on our queen-size bed. Much easier then getting down on the floor and the dogs loved learning to roll over on the bed. Hid articles all over the house and had the dogs find them. We have a pool in the back yard and both we and the dogs took advantage of the hot days. Tom's Lab, Vasthi, was always wet.

--Marlene & Tom Anton

Odie is my obedience dog. I brought him home at 10 weeks, and started training him immediately. We had help from some great trainers, and he progressed well. We recently finished our CD title, and have moved on to train for Open. However, with the intense heat this summer, there was little we could work on. After all, it is hard to train the broad jump in the living room. Since I had promised the breeder that I would get a championship on him, I decided it might be a good time to fulfill that commitment.

Odie's breeders and two co-owners live in California, and are very active in Conformation. We decided that they would show him in the Bred-By category, and with that in mind, they started searching to identify some shows that would likely have good entries. While there are many shows, there are not always many with large entries for Clumber Spaniels. They found some shows in Michigan that would have a large Clumber entry, as there are several big breeders up there, and one of the shows was their Regional Specialty. So at the beginning of August, Odie flew to Michigan to meet one of the co-owners, and strut his stuff up North.

At the Michigan Summer Classic, Odie was Best of Winners (5 pt. major) at the Clumber Spaniel Fanciers of Michigan specialty. He was also BOW at the Sturgis KC show (5 pt. major) and BOW at the Berrien KC show (3 pt. major) and went on that day to be selected the Best Bred-By-in the Sporting group

CONGRATULATIONS to all of the many DKC Rally handlers who qualified in the Sept. 2011 Raleigh trials. Keep up the good work!

and then Best Bred-By in Show. It was a GREAT weekend, but we still needed a few more points.

Since there are not many shows locally that have good Clumber entries, Odie would go stay with the breeders in California until he finished his championship. So after a few weeks to lie around and get dirty again, he flew across country to finish his quest. The first weekend Odie was there he went Best of Winners for a 3 point major on September 3. Odie became a Champion that day and would now be known as CH Bluemoonrysn's Inspector Clouseau, CD RN. He was moved up on Sunday, and he finished the weekend in style going Best of Breed (9 Clumbers-3 specials).

I am very grateful that Odie's Championship title took such a short time. I hope he is as successful with the broad jump!

--Mary Florence

Coleson and I were introduced to dock diving (thank you, Patty and Pamm!!) Here is a picture from his first practice, a very COOL sport! :)

Please send more stories of what you and your canine friends did this summer; pictures are welcome, too! --Cathy

## DKC Yard Sale, May 28, 2011

The May 28 yard sale was a great success, thanks to all who contributed items to sell and the great help from the volunteers who came out one, two, or all three days to set up, price, sell, load and clean up at the end.

I hope I didn't forget anyone who worked, but if I did, I'm sorry.

Special thanks to the following members for all their help: George and Emilie Beglane, Kay Cundy, Barbara Doermann, Mary Frances Davis, Joanne Harrar, Gail Kanas, Jodi LaBombard, Irena and Karl Pulkstenis, Sally Ridge, Jeanne Stringall, Terri Toohil, Carolyn Wolfe, Nancy and Joe Zawadowski, and Peggy Baucom, who is applying for Member Candidate.

We could not have done it without membership support.

## DKC Logo Contest! Which One Will You Vote For?

Some club members feel the current Durham Kennel Club logo is outdated, some feel the logo does not adequately indicate we are a kennel club, and others love the current logo.

The DKC Board approved a logo contest in 2010 and solicited new logo designs, with certain restrictions, through the newsletter and by email. The contest gives club members an opportunity to decide if a change is wanted or needed, and if so, which of the logos submitted best represents the club. The current logo, and a revised current logo, are included on the ballot, so if most club members prefer the current logo it will not be changed. We hope to use the logo widely on shirts and other items in the future, and want the wishes of the club members to be represented.

There will be a ballot with all the choices at the **October Member Meeting on Monday, October 17**. As always, **according to our Bylaws, you must be present at the meeting to vote**. The choices can be seen below and on our website. It is also posted on our Facebook page for viewing and discussion by all our Facebook members. If anyone cannot download the samples or has questions you may contact Jan Gray at [fundogs@gmail.com](mailto:fundogs@gmail.com), or Dee Wallis at [deewallis@aol.com](mailto:deewallis@aol.com).

We hope to have a large turn out at the member meeting!

**Jolly Roger's Just Seas the Day, CDX, WD, CGC,  
7/12/2005 – 7/23/2011**

After battling over 6 months with end stage Chronic Renal Failure, we had to tell our wonderful girl good-bye. We gained much more time than the vets predicted, but what was most important is that her quality of life remained good.

She had so much character - our diva. Life was never dull with this girl! She was initially terrified of the cart, but with a lot of patience (and lots of treats!), she started getting very excited, running up and wagging her tail when she saw me pull out the cart. I have no doubt we would've gotten her draft title. She did well in obedience and we got our CDX - my first ever! She was also progressing and enjoying the utility exercises, and I thank our instructors and classmates for continuing to welcome us to class so she could get out and see her friends. Those additional fun experiences are what I wanted for her these past months. Water work was a HUGE challenge - this was a Newf who preferred to wade rather than swim (I swear that when I threw the bumper, she looked at me and thought 'YOU threw it, YOU go get it!'). It took 4 summers of training, and 8 tests, but last August we got her junior Water Dog title in great fashion and I couldn't have been prouder of her if we'd gotten the most senior title. I learned so much about training and how to be a better team because of her - not being as interested in swimming, I had to get very creative with my treats and ideas on what to try next! And I hold dear our last evening before we went to the ER - she was up on the bed with Jeff and me and we just lay there together, enjoying her company. She seemed content. Mostly I was so glad she was my puppy and I hope she was happy with us. Even through all this, I wouldn't have traded her for anything. She has taught me so much.

Part of our mantra: 'Do you know how much your Mommy loves you? From sea to shining sea, little peanut, from sea to shining sea, little Kaister.'

Mommy will forever love and miss you, my precious girl, and I hope you knew that.

Thank you for being our precious girl, Mommy and Daddy miss you.

**Spring Show**

Please volunteer! We need help with ads, grounds, hospitality, stewards for obedience, etc. Remember this is an event that helps bring in a great deal of the money it takes to make the club run. It takes some help from each of the members and we do not get the volunteers we need. The more people to help the smoother the show runs. Please email me or call.

**-- Connie Howard, Show Chair**

**New Obedience and Rally Trial**

We will be adding a new obedience and rally trial to DKC's events in 2012. It will be July 14-15, 2012, at NetSports, pending AKC approval. We will be using much more of the building, and there will be no games. There will be a few of the classes for small kids Saturday morning, like they had during the show-n-go we held there in 2010. Most of the negative issues we had with the trial there in December will be eliminated by having the trial in July. We will continue with the December trial at our own building.

**-- Jan Gray**

**Calling All Juniors!**

We'd love to hear from our junior members. Please let us know what you've been doing with your dog: show results, fun activities, training breakthroughs, etc.

## New Wall Plaque for PACH

Has your agility dog earned the new AKC PACH title? If so, **Maria and Lewis Walker** have generously donated a PACH, or Preferred Agility Champion, wall plaque for the Durham Kennel Club. This plaque will recognize all active, regular members and their dog(s) that have achieved the Preferred Agility Champion title.

This new wall plaque will be displayed in the Durham Kennel Club building like the MACH wall plaque currently on display.

The application for the new wall plaque is on page 9. Please follow instructions on the application, complete and mail to Nancy Akers, 9501 Rougemont Road, Bahama, NC 27503. If you have any questions regarding eligibility etc. please contact Lisa Roberts at 919-602-5788 or wonderdogs@earthlink.net.

**We will be accepting applications for this new wall plaque until October 3, 2011.** Anyone earning a PACH title after this date may apply to have your dog's (s) name included on the wall plaque when the annual DKC award applications become available this fall.

We look forward to receiving your application.

*-- DKC Awards Committee; Maria and Lewis Walker*

The following information regarding this new title is from the AKC website:

**-- New Title to Take Effect July 1, 2011 --**

The American Kennel Club® (AKC®) is pleased to introduce the new Preferred Agility Champion title (PACH). Created as a way to recognize the superior performance, speed and consistency of AKC's preferred agility competitors, dogs must achieve a minimum of 750 championship points and 20 double qualifying scores from the Excellent B Preferred Standard class and the Excellent B Preferred Jumpers with Weaves class to obtain this prestigious championship.

"The Agility department is thrilled to be able to implement the Preferred Agility Champion title almost two years ahead of the original scheduled start date," said AKC Director of Agility Carrie DeYoung. "The Preferred Championship is designed to recognize the excellent quality of dogs and handlers that are exhibiting in our Preferred Agility program at the top level."

The PACH title is a prefix title and is retroactive, so any dogs that earned the title prior to July 1st, 2011 will be "grandfathered" in and will automatically have PACH added to their AKC name in the AKC computer system. Exhibitors will not need to request this to happen. Owners who wish to obtain a title certificate for dogs that earned the title prior to July 1st will need to order one by calling Customer Service at (919) 233-9767.

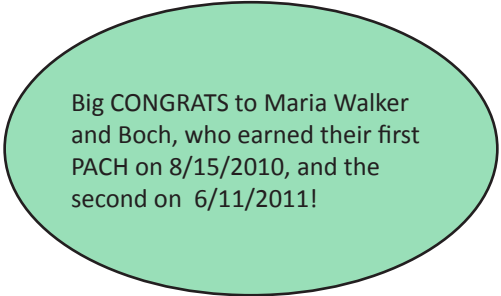

The dogs that earn the title from July 1st onward will automatically be mailed a certificate. The retroactive points will be based on the new point schedule as of July 1st, 2011 that will earn all dogs 1 point per second under the Standard Course Time. There will not be any point multipliers applied at any time for the points earned toward the PACH title.

### More about the PACH:

- There are no changes to the PAX title and both the PAX and the PACH will exist. PAX and PACH titles may be earned from the same set of double qualifying scores (although they may not be achieved on the same dates, depending on when the 750 points for the PACH are earned).
- One point is awarded for each full second under the Standard Course Time. (No partial points are awarded.)
- Dogs earn points from the Ex B Preferred Agility Class and/or the Ex B Preferred Jumpers With Weaves Class.
- Qualifying with scores of 100 in both the Ex B Preferred Agility Class and the Ex B Preferred Jumpers With Weaves Class on the same day equals one double qualifying score (2Q).
- The PACH title points and 2Q's progression will be able to be viewed in the AKC online store reports after the title's implementation.

**Requirements General Scoring:** A dog does not have to obtain the Master Excellent Preferred title (MXP) or the Master Excellent Jumpers With Weaves Preferred title (MJP) prior to achieving scores that will count toward their Preferred Agility Championship title (PACH). A dog need not be in both "B" classes in order to start accruing PACH points. Any score of 100 (clear round) obtained in the Excellent B Preferred classes will count towards both the dog's Preferred Championship requirements, and the dog's MXP/MJP titling requirements.

**Titles:** The PACH title initials will be followed by a numeric designation indicating the quantity of times the dog has met the requirements of the PACH title as defined above, e.g., 1500 PACH points and 40 2Q's =PACH2.

Big CONGRATS to Maria Walker and Boch, who earned their first PACH on 8/15/2010, and the second on 6/11/2011!

**Program:** Mari-Beth O'Neill, AVP Customer Service, AKC, presented a program about "Juniors and the AKC".

The meeting was called to order at 8:10 pm. Minutes from the April meeting were approved as published in the newsletter.

**President's report:** The board has approved paving the end of the driveway. The project has been put out for bids.

Reports of the **recording** and **corresponding secretaries** are not available.

**Treasurer's report:** The treasurer reported the current account balances. Preliminary numbers show that the spring agility trial profits were about the same as for last year's trial.

Ballots were not available for logo proposals. Voting will be deferred until fall.

**AKC delegate report:** The next delegate meeting will be held in June in Raleigh.

**Membership:** About 50% of the renewals have already been received. Terri reminded the members that dues are due at the beginning of June, and members whose dues have not received by the end of June will be removed from the list.

**Spring show:** contracts for next year have not yet been signed.

**Obedience trial:** Nancy Akers has volunteered to be the chair. She already has judges lined up. This December's trial will be held at DKC. There are plans to hold a summer trial at Net Sports in 2012.

**Tracking:** There is a TDX test coming up in October.

**Obedience classes:** the committee will be meeting soon to finalize the summer schedule, with classes beginning in July. A Pet Therapy class will be offered in June.

**Conformation classes:** Classes are going very well and are winding down for the summer. There will be no classes in July or the first week in August, except upon request.

**Seminars:** Several are listed on the DKC website.

**Yard sale** will be held May 28th from 8 until noon. Volunteers are still needed for breakdown and cleanup. Donations will be accepted on Thursday and Friday.

**Fall show** is on target. Supported entries and matches are being lined up. Many volunteers will be needed. We need to spread the word about the clinics.

There was no unfinished business, and no new business.

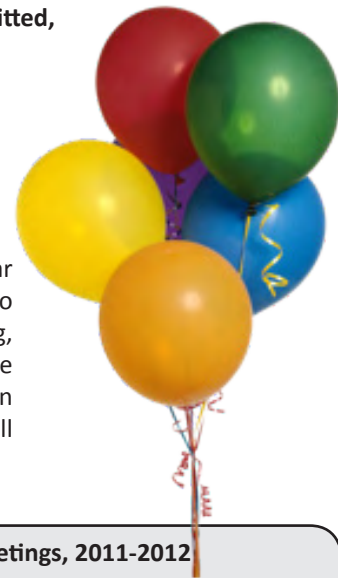

Visitors were introduced.

New slate of officers, as published in the newsletter, was elected unanimously by paper ballot.

There were several brags.

The meeting was adjourned at 8:37 pm.

-- Respectfully submitted,  
*Emilie Beglane*

### Responsible Dog Owners Day

The AKC's RDO day is coming up at the fairgrounds. It is Saturday, September 24, from 10-2pm at the Holshouser Bldg. The DKC will have a table set up for info about the club and also a Meet the Breeds event. There are several demos that members can enter their dogs to do.

It is a very low key day, mostly to show new dog owners some of the AKC sports that dogs can do.

Agility, Rally, Herding, Flyball and Obedience will be set up outside. They need volunteers to do the demonstrations.

There is also a CGC test given all day.
