Christie and Patrick Murphy Scent Work Award

This award is named in honor of Christie and Patrick Murphy who were guiding forces behind the development of interest in Scent Work and the DKC Scent Work Program.

This annual award will go to the DKC member and dog as a team, who achieves the highest number of scent work elements in the preceding year. Ties for the same number of element levels completed in the year will be broken by the team with the highest element level achieved, or if at the same level by the fastest qualifying scores. The DKC member owner/co-owner must have trained and handled the dog.
