

## Tracklayers' Workshop Presented by Carol Rives

9 am - noon  
June 27, 2026

Kate Fulkerson's Farm  
Timberlake, NC

This workshop is intended to cover rules, techniques, and best practices for laying tracks for both training your own dog or for a tracking partner and for serving as a tracklayer at Tracking Tests. The workshop is for people ONLY -- we will NOT be working dogs. It will include a combination of lecture material and in-field practice. The workshop will cover the AKC tracking regulations which lay out track requirements. We then will cover such topics as how to estimate track length, how to walk in a straight line, how to lay "blind" (that is unmarked) tracks and still be able to find the corners, and map making.

Working Slot (limited to 10)     \$15 per person for DKC members/\$25 for non-members

Audit only (unlimited)     \$5 per person for DKC members/\$10 for non-members

Make checks payable to Durham Kennel Club and mail with Registration Form to:
